### Engineering & Contracting Services in Various Fields

Client Country	Project	Year
TURKTIPSAN Sağlık, Turizm, Eğitim ve Ticaret A.Ş. Ankara TURKEY	<b>Parenteral Solution Production Plant</b>  Design, engineering and supply of all process machinery and equipment and implementation of a turnkey production plant together with a Turkish contractor for civil construction; plant capacity 3,000,000 l/a during one shift production	2004
Medic Vital Industrie SA Sousse TUNISIA	<b>Infusion Solution Production Plant</b>  Design, engineering and supply of all process machinery and equipment, training of personnel, supervision of erection and start-up for a factory with an initial annual capacity of 750,000 l, prepared for future extension of the plants production capacity to 2,500,000 l/a	2003
Zaria Pharmaceutical Company Limited NIGERIA	<b>Medical Device Complex</b>  Technical assistance and maintenance services for a production plant for disposable medical devices over a period of 2 years	1996
Linyi Electrical Cables Factory Shandong Province P. R. CHINA	<b>Production Plant for Membrane Switches</b>  Engineering, supply, training of personnel, supervision of erection and commissioning of machinery and equipment for a plant to produce various types of membrane switches, including production materials and spare parts	1995
Guangdong Wanjiale Electronic Membrane Switch Co. Ltd. P. R. CHINA	<b>Production Plant for Membrane Switches</b>  Engineering, supply, training of personnel, supervision of erection and commissioning of machinery and equipment for a plant to produce various types of membrane switches, including production materials and spare parts	1994
Ministry of Health & Social Development Kaduna State NIGERIA	<b>Pharmaceutical Complex</b>  Engineering, supply, training of personnel, erection and commissioning of a disposable syringe production plant with an annual capacity of 135,000,000 syringes as well as packing and sterilizing of 120,000,000 hypodermic needles, including consumables and primaries for 1 year and spare parts for 2 years	1993
